RECTIFICATIONS AND MODIFICATIONS OF SCHEDULES

Schedule XCII – Czech Republic

The following communication, dated 19 September 2000, has been received from the Permanent Mission of Czech Republic.

In order to take account of the Communication on trade in Pharmaceuticals Products (G/MA/W/18 of 13 November 1998), providing for additional products to receive duty free treatment, the following consequential modification needs to be made to Schedule XCII – Czech Republic.

A new second paragraph should be inserted into "Explanation of notes and symbols used in this Schedule", chapter "Pharmaceuticals".

"The concessions on additional pharmaceutical products, incorporated in document G/MA/W/18 containing the revised consolidated version of annexes 1 – 4, to eliminate tariffs shall be implemented in five annual equal instalments beginning on 1 January 2000 and ending on 1 January 2004".

If no objection is notified to the Secretariat within three months from the date of this document, the rectifications and modifications to Schedule XCII – Czech Republic will be deemed to be approved and will be formally certified.
