## NOTIFICATION OF LAWS AND REGULATIONS UNDER ARTICLE 12.6 OF THE AGREEMENT

### Questions to KENYA<sup>1</sup> posed by the UNITED STATES

The following communication, dated 13 November 1996, has been received from the Permanent Mission of the United States.

During the regular meeting of the Committee held on 25 October 1996, the United States delegation posed the following questions under agenda item 2.A(ii) concerning the notification without legislative text of Kenya (G/SG/N/1/KEN/1):

1. The United States took note that, in its notification, Kenya informed the Committee that the application of safeguard measures on any product in Kenya is on an ad hoc and case by case basis and that there is no direct legislation at the moment. Is Kenya considering the enactment of such legislation?
2. Until such legislation is enacted, will Kenya adopt safeguard measures? If so, how will Kenya ensure that the safeguard measures will be in accordance with the provisions of the Agreement on Safeguards?
