NOTIFICATION

Addendum

The following communication, dated 20 March 2001, has been received from Japan.

Announcement of each variety/item on which safety assessment of foods and food additives produced by recombinant DNA techniques submitted by biotechnology has been conducted

The Ministry of Health, Labour and Welfare is announcing that it has conducted safety assessment of foods and food additives produced by recombinant DNA techniques additionally for six varieties/items. The said announcements of the varieties/items will also appear in "KAMPO" (The Official Gazette) when adopted.

The text related to this addendum is available from Japanese SPS Enquiry Point.
