Permanent Representative of the  
Republic of Poland to the WTO

Geneva, 14 October 1997

H. E. Mr. András Szepesi  
Chairman  
Textiles Monitoring Body  
World Trade Organization  
Rue de Lausanne 154  
1211 Geneva

Dear Mr. Chairman,

Referring to your request for further information on Poland's first and second stage integration programmes, I have been instructed to send herewith the following comments.

The collection of import data of 1990 followed the structure of Poland's tariff nomenclature of that time. Since the relevant import statistics were not available at such detailed level on the basis of which one could make precise distinction between the ATC covered and non-covered products, the statistical information provided by Poland refers to the whole HS subheading concerned and not only to that portion of the HS line covered by the ATC.

Yours sincerely,

(Signed) Tomasz Jodko
