Geneva, 3 March 1997

Mr. András Szepesi
Chairman
Textiles Monitoring Body
World Trade Organization
Geneva

Sir,

Please find attached the revised list corresponding to the second stage of the programme of integration, in accordance with Article 2, paragraphs 8 and 11, of the Agreement on Textiles and Clothing.

This revised list has corrected the omissions of the list which we submitted on 20 December 1996, to which you referred in your letter of 29 January. The horizontal lines group the products in different categories; the amount of imports in kilos and the percentage of the total they represent are given at the end of each of the lines. The amount of imports of categories 5207.10.00 and 5707.90.00 is indicated in the corrected list; adding them to the final percentage shows that the level of 17 per cent is attained.

Accept, Sir, the assurances of my highest consideration.
