NOTIFICATION OF LAWS AND REGULATIONS UNDER ARTICLES 18.5 AND 32.6 OF THE AGREEMENTS

Follow-Up Questions from CANADA to KOREA¹

The following communication, dated 24 November 1997, has been received from the Permanent Mission of Canada.

Article 5.5 of the Anti-Dumping Agreement requires the authorities to notify the government of the exporting country "after receipt of a properly documented application and before proceeding to initiate an investigation". Could Korea please identify the section of The Decree of the Customs Act that includes this requirement?
