REPLIES TO QUESTIONNAIRE ON IMPORT LICENSING PROCEDURES

Notification under Article 7.3 of the Agreement
on Import Licensing Procedures

MOROCCO

Addendum

The following notification, dated 18 February 1999, has been received from the Permanent Mission of Morocco.

The Permanent Mission of the Kingdom of Morocco to the United Nations Office at Geneva and other International Organizations in Switzerland presents its compliments to the World Trade Organization, and with reference to Morocco's Notification under Article 7.3 of the Agreement on Import Licensing Procedures (document G/LIC/N/3/MAR/1) has the honour to notify that the products below have been included in the list of products subject to import licensing.

These products were included in the list in conformity with Morocco's commitments under the Montreal Protocol on Substances that Deplete the Ozone Layer of 16 September 1987 and with the provisions of Article XX(b) of the GATT 1994.

It should be pointed out that the listed products have been published in Order No. 4636 of the Ministry of Industry, Trade and Handicrafts of 5 November 1998 completing Order No. 1308-94 of 19 April 1994 establishing the list of goods subject to quantitative import and export restrictions.
