## NOTIFICATION

### Addendum

The following communication by Hong Kong, China is being circulated.

---

### Lifting of the suspension of livestock imports from the United Kingdom

The Agriculture, Fisheries and Conservation Department of the Hong Kong Special Administrative Region has lifted the suspension of import of live cattle, pigs, sheep and goats from the United Kingdom notified under G/SPS/N/HKG/13 with effect from 9 April 2002 following the OIE's recognition that the United Kingdom has regained its status as a foot-and-mouth disease-free country without vaccination.

Relevant document to the veterinary authority of the United Kingdom (available in English) can be obtained from the National Enquiry Point of Hong Kong, China.
