

### Schedule XCII – Czech Republic

In order to take account of the Communication on trade in Pharmaceuticals Products (G/MA/W/18 of 13 November 1998), providing for additional products to receive duty free treatment, the following consequential modification needs to be made to Schedule XCII – Czech Republic.

A new second paragraph should be inserted into "Explanation of notes and symbols used in this Schedule", chapter "Pharmaceuticals".

"The concessions on additional pharmaceutical products, incorporated in document G/MA/W/18 containing the revised consolidated version of annexes 1 – 4, to eliminate tariffs shall be implemented in five annual equal instalments beginning on 1 January 2000 and ending on 1 January 2004".
