1996 CHANGES IN THE HARMONIZED SYSTEM

Submission of Documentation

Schedule LXXI - Hungary

Corrigendum

The following communication, dated 13 November 1996, has been received from the Permanent Mission of Hungary.

Referring to the comments of Switzerland on Schedule LXXI - Hungary: Transposition into the 1996 Harmonized System, please make the necessary correction in Schedule LXXI accordingly.

It was found that in the case of HS 2008.92.018 and 2008.92.993 the transfers to HS96 subheading 1904.20 were made incorrectly (HS 2106.90.992 was also transferred to HS 1904.20), therefore the bound rates were wrongly indicated.

The correct bound rates are the following:

<u>HS92</u>	<u>Base rate (%)</u>	<u>Final rate (%)</u>	<u>HS96</u>	<u>Base rate (%)</u>	<u>Final rate (%)</u>
1904.10.014	60	36	{ 1904.20.91.00	60	36
1904.10.999	60	36	{ 1904.20.95.00	60	36
			{ 1904.20.99.00	60	36
2008.92.018	15	12.8 }	1904.20.10.00	15	12.8
2008.92.993	20	17 }
